

ED Renovation & Expansion

Donor Recognition

The Emergency Department (ED) Fund will support ongoing programs, projects, and equipment needs of the department. The Garden Maintenance Fund will help us recreate a new garden space outside of the ED after the project is complete - Fall 2026-Spring 2027. It will also support ongoing garden maintenance across our campus.

ED Renovation & Expansion

Donor Recognition - Gardens

ST. FRANCIS
Regional Medical Center

Garden spaces at St. Francis are nature's healing space for patients, visitors and staff. Nature's presence can reduce stress, promote mental well-being and aid in physical recovery. Garden spaces foster a holistic approach to healthcare and emphasizes the restorative power of nature.

Garden Bench

\$10,000

- Recognition provided on designated Emergency Department donor wall at St. Francis and on a large decorative garden bench.
- Recognition provided on the Saints Foundation website.

Garden Boulder

\$5,000
