

# Healing Gardens

## Donor Recognition

Garden spaces at St. Francis are nature's healing space for patients, visitors and staff. Nature's presence can reduce stress, promote mental well-being and aid in physical recovery. Garden spaces foster a holistic approach to healthcare and emphasize the restorative power of nature. The options for supporting the St. Francis Healing Gardens include:

### Garden Bench

\$10,000

- Recognition provided on designated Emergency Department donor wall at St. Francis and on a large decorative garden bench.
- Recognition provided on the Saints Foundation website.

### Garden Boulder

\$5,000

- Recognition provided on designated Emergency Department donor wall at St. Francis and on a large decorative garden rock.
- Recognition provided on the Saints Foundation website.

### Large Garden Pavers: \$1,000

### Small Garden Pavers: \$500

- Recognition provided on designated Emergency Department donor wall at St. Francis and on pavers in the garden.
- Recognition provided on the Saints Foundation website.

Interested in donating directly to our Emergency Department renovation? Call or email us at 952-428-2070, [SaintsFoundation@allina.com](mailto:SaintsFoundation@allina.com) or see more giving options online at [saintsfoundation.org](http://saintsfoundation.org).

All donors that contribute a gift of \$1,000 or more will be recognized on the Emergency Department donor wall at St. Francis, which will be located in the waiting room.
